Facility Closing Notice – Franklin, Indiana

Ms. Long:

This letter is sent in compliance with the Worker Adjustment and Retraining Notification (WARN) Act of 1988. This will serve as notice of SBS Construction's intention to permanently close its location at 2801 North Morton Street, Franklin, IN 46131 on or about July 12, 2009. The entire plant will be closed. This letter will serve as notice of SBS Construction Services' intention to permanently lay off approximately 85 employees at the location.

The expected date of the first separation is July 12, 2009. The affected employees are not represented by a union and no bumping rights exist.

The job titles of the positions to be affected and the number of employees in each of these job classifications are set forth on Exhibit A attached to this letter.

To the extent that the above actions constitute a plant closing or mass layoff under the WARN Act, this letter is intended to fulfill the Act's requirements. By providing this notice, however, the Company does not concede that the Act applies or that notice is otherwise required.

If you have any further questions or need additional information, you may contact me at 919-431-1152 or Pat Eberly, our HR manager, at 614-210-8282.

Sincerely,

Bryan Yeazel
Vice President and General Counsel
